

I am very disturbed by Sinclair using the airwaves to air anti-Kerry propaganda. and forcing all of their stations to do this is anti-democratic.

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. But when large companies control the airwaves, we get more of what's good for the bottom line and less of what we need for our democracy. this is not news! this is a brainwashing technique!

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. They show why the license renewal process needs to involve more than a returned postcard. Thank you.
